

As a school...

We will provide a safe, welcoming, caring environment for children, thus encouraging learning.

We will nurture a positive learning attitude and provide a broad and balanced curriculum.

We will encourage and expect high standards of learning and behaviour, whilst developing a positive, growth-mindset approach to learning.

We will provide a broad and balanced curriculum, tailored to meet the individual needs of your child.

We will encourage child to show care for their surrounding and other people through showing our school values and following the school rules.

We will inform you of your child's progress at two parent consultation meetings and an annual written report.

We will keep you informed about what your child is learning and about general school matters through regular newsletters, website and emails.

We will provide regular homework in line with our policy.

We will inform you of any concerns we have.

As a parent/carer...

I will ensure that my child arrives at school on time, properly equipped with named belongings.

I will ensure that my child attends school every day unless there is a good reason e.g. illness and I will notify the school by email by 9am and provide an explanation if my child is absent.

I will ensure my child is ready for school each day in the correct smart uniform and with the necessary equipment e.g. PE kit.

I will take an interest in my child's learning by becoming involved in the life of the school and supporting school/FRIENDS events and functions.

I will attend parent consultation meetings and discussions about my child's progress.

I will let the school know about any concerns or problems that may affect my child's behaviour or learning.

I will support the school's policies and guidelines for behaviour.

I will ensure my child reads at least 5 times a week and record it in their reading diary.

I will support my child to complete any homework on time and to the best of their ability.

I will foster a positive attitude towards education and the school and use discretion when discussing issues or grievances in front of children, as these may have negative effect on their outlook.

I will not use social media in such a way to cause grievance to the school or bring disrepute to the school, other parents and/ or children.

Our vision is for all children to enjoy learning and develop a desire to continue learning through their lives. We want our schools to be inclusive, safe and happy environments where every child is supported to achieve their maximum potential and develop social and communication skills to build positive relationships.

VALUES

As values-based schools, we support children to become well-rounded individuals by promoting positive values and behaviour that will benefit them in all aspects of life.

AIMS

- To foster a love of learning through exciting and engaging learning opportunities.
- To build positive relationships based on mutual trust, respect and care between all in our schools and the wider community.
- To develop skills, talents and interests to support each child in achieving their maximum potential.
- To develop healthy lifestyles and promote the importance of positive mental health and wellbeing.
